<212> PRT
<213> Artificial Sequence

<220>
<223> Description of Artificial Sequence: Oligopeptide for conjugation
of radiolabel to an antibody.

<220>
<221> MISC_FEATURE
<222> (1)..(4)
<223> Description of Artificial Sequence: Oligopeptide for conjugation
of radiolabel to an antibody. All residues are D-amino acids
